

Here is our reality: **Childhood hunger is an epidemic.**

There are approximately **12 million children** in North America that don't know where their next meal is coming from. **12 million children** right here at home, right in our own backyards.

At ACN, that's just not acceptable.

Through ACN's Project Feeding Kids program, **we're doing our part to help end childhood hunger for good!**

Making a Big Difference in a Small Way

1. Every time someone signs up for a service through ACN, one meal* will be donated to a child in need.
2. Every time a customer pays their monthly bill for those services, another meal* will be donated.

It's that simple.

And these are services consumers are already using and spending money on month after month, services most people can't live without.

AT ACN, **GIVING BACK** IS IN OUR DNA

Since ACN began in 1993, it's been our hope to leave the communities in which we live, work and play a little better than when we found them. ACN supports a long and ever-growing list of organizations on a global scale, with our efforts concentrated on those directly impacting children. Because we believe that when you impact the life of a child, you do more than just change their day; you change their life. Providing hope to the next generation – that's the legacy we hope to leave.

Founded in 1993, ACN is the world's largest direct seller of telecommunications, energy, and other essential services for residential and business customers. ACN provides the services people need and use every day including High-Speed Internet, Home Phone, Wireless, Energy, Television, Security & Automation, Payment Processing and Technical Support. ACN operates in 25 countries with offices located throughout North America, Latin America, Europe, Asia and the Pacific.

*ACN will donate one meal (\$0.10) each time a customer signs up for an ACN residential and/or business service or Flash Wireless service between 3/15/2018 and 3/15/2019. One additional meal will be donated each time a customer pays their monthly bill for the following services between 3/15/2018 and 3/15/2019: Flash Wireless, ACN Home Phone, and ACN Business Phone. ACN guarantees a minimum donation of 1.5 million meals to Feeding America to help families and children in need. \$1 helps provide at least 10 meals secured by Feeding America on behalf of local member food banks.
